

## **Marine Electrician Ballard**

Snow & Company is a small boat building and repair company in Seattle seeking a **Marine Electrician** to join our team. Exciting projects underway at Snow include high speed aluminum pilot boats, two multi-year contracts to build work boats for the US Navy and a hybrid research vessel.

We offer jobs that are rewarding, and we pride ourselves on our ability to deliver exceptional work. We look for inspired and motivated self-starters. Our company is team oriented and rewards individuals who are both collaborative and innovative. With quick turnaround projects and strict deadlines, we need candidates who can work in a fast-paced environment, while maintaining a positive, can-do attitude.

Some of the job duties include electrical installation for new vessel construction, building of custom panels, installation of electric motors and controls, cable installation-cable pulling, installation of packing tubes, multiple cable transits, collars, conduit, and raceways. Some repair work may be required. Ability to read and interpret drawings desired. Capable of clear, effective communication with others on the production team.

### **Desired Characteristics:**

- Marine, Industrial or Aviation Experience
- Attention to detail
- Problem solving
- Good Energy
- Punctual
- Deadline driven
- Up for challenge and change
- Pride yourself in customer satisfaction
- Ability to adapt
- Trustworthy
- Integrity
- Dependable

### **Snow & Company Perks**

- Steady long term contract work
- Positive work environment
- 100% paid medical for employee, spouse, dependents
- Paid holidays
- Competitive pay
- Opportunity to growth
- Working in the exciting young community of the Ballard Shipyard, this is not corporate.

Job Type: Full-time

Pay: \$24.00 - \$40.00 per hour, DOE

**Physical Requirements:**

Work is conducted in a dynamic, fast-paced shipyard with moderate to loud noise levels from production activity in the boatyard. The individual will be required to be in production areas in yard and onboard vessels. He/she must be able to walk to and from job sites. The person must be able to climb inclined stairways and vertical ladders; to enter confined areas and tanks; to work at heights. He/she may be required to work more than 8-hour shifts and weekends. The incumbent must be able to frequently bend, squat, crawl, twist and may be required to lift up to 50 pounds.

**Snow & Company:**

We are a leading boatbuilder and ship repair company in the Ballard neighborhood of Seattle. We build commercial vessels for the fishing industry, government agencies, tugboat operators, aquaculture companies and other marine businesses. Additionally, we perform overhauls and repairs to vessels. Located on the ship canal we have modern enclosed fabrication halls along with waterfront repair facilities.

Located on the Burke Gillman bike trail and within one block of the Metro bus, we are a commuter friendly workplace.

Snow & Company, Inc. provides equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, protected veterans, age, disability, or genetics. In addition to federal law requirements, Snow complies with applicable state and local laws governing nondiscrimination in employment.

Snow & Company, Inc. is considered an essential business and strictly follows the COVID-19 General Workplace Requirements as stated by the State of Washington Dept of Labor and Industries.

Snow is a Drug Free workplace
