

Marine Outfit Supervisor

Location: Ballard

Snow & Company is a small boat building and repair company in Seattle seeking a Marine Outfit Supervisor to join our team. Exciting projects underway at Snow include two high speed aluminum pilot boats and two multi-year contracts to build work boats for the US Navy.

We offer jobs that are rewarding, and we pride ourselves on our ability to deliver exceptional work. We look for inspired and motivated self-starters. Our company is team oriented and rewards individuals who are both collaborative and innovative. With quick turnaround projects and strict deadlines, we need candidates who can work in a fast-paced environment, while maintaining a positive, can-do attitude.

The Marine Outfit Supervisor oversees the outfitting team which handles the installation of mechanical systems and electrical systems on new vessel construction projects as well as some boat repair jobs. Ability to read and interpret drawings desired. Capable of clear, effective communication with others on the production team.

Examples of systems to be installed:

- Propulsion engines
- Water Jets
- Propulsion shafting
- Steering systems
- Hydraulic Systems
- Water Piping/Systems
- Fuel Piping/Systems
- Deck Equipment
- Electrical panels and devices
- Grey and black water systems

This list is not intended to detail all aspects of the assigned work but is representative of the job's overall responsibilities.

Basic Qualifications:

- Experience as a team leader
- Effective communication & management skills
- Punctual with high attendance rate
- Ability to problem solve
- Must be willing and able to support a safe work environment
- Works well independently and as a team
- Ability to operate a forklift

Preferred Qualifications: 6 to 12 months experience in a similar position preferred

Physical Requirements:

Work is conducted in a dynamic, fast-paced shipyard with moderate to loud noise levels from production activity in the boatyard. The individual will be required to be in production areas in yard and onboard vessels. He/she must be able to walk to and from job sites. The person must be able to climb inclined stairways and vertical ladders; to enter confined areas and tanks; to work at heights. He/she may be required to work more than 8-hour shifts and weekends. The incumbent must be able to frequently bend, squat, crawl, twist and may be required to lift up to 50 pounds.

Snow & Company Perks:

- Positive work environment
- 100% company paid coverage for family health & vision insurance, with options for dental & life insurance.
- Competitive pay
- Holiday pay

Located on the Burke Gillman bike trail and within one block of the Metro bus, we are a commuter friendly workplace.
