

General Laborer

Location: Ballard

This position maintains the general organization and cleanliness of the shop along with assisting in the removal of debris and trash from production areas. This position will also assist as needed with the day-to-day maintenance and minor repair of facility systems and equipment, and with the running of the tool room. Day-to-day maintenance duties may include assisting in minor electrical and plumbing repairs, replacing light bulbs, minor building repairs (i.e. gutters, sinks, doors, etc.) maintenance of yard equipment, operating forklifts and keeping the facility organized and clean.

Typical Daily Tasks:

- Keep the facilities general work yard organized and clean
- Remove trash and debris from production areas
- Keep tools, consumables, and other materials organized
- Assist with repair, service, and lubrication of tools and equipment
- Move materials and equipment around the yard with a forklift

This list is not intended to detail all aspects of the assigned work but is representative of the job's overall responsibilities

Basic Qualifications:

- Must have a general familiarity with tools and parts
- Well organized with attention to detail
- Effective communication skills
- Punctual with high attendance rate
- Must be willing and able to support a safe work environment
- Works well independently and as a team
- Ability to operate a forklift

Preferred Qualifications:

- Marine Mechanical or Industrial background preferred
- Mechanically inclined and have minor maintenance experience
- Experience working with maintenance and manufacturing personnel is a plus
- Washington State Drivers License with a clean driving record

Physical Requirements:

Work is conducted in a dynamic, fast-paced shipyard with moderate to loud noise levels from production activity in the shipyard. The individual will be required to be in production areas in yard and onboard vessels. He/she must be able to walk to and from job sites. The person must be able to climb inclined stairways and vertical ladders; to enter confined areas and tanks; to work at heights. He/she may be required to work more than 8-hour shifts and weekend. The incumbent must be able to frequently bend, squat, crawl, twist and may be required to lift up to 50 pounds.
